

## Evans Bay Yacht & Motor Boat Club's Latest News

Hi <<First Name>>, here is the latest news...

### Meet our new Commodore - Chris Hargreaves

Chris first sailed his P Class at Evans Bay in 1962, or though he was involved with the Club before then. He was seen in the clubhouse before in was even able to crawl, so he really does have a lifetime involvement. In fact it stretches even further back than that... see the full story [here](#).

## Double Hurricane

Well the forecast Hurricane for the weekend came both on and off the pitch!

Unfortunately it meant that we didn't get any Winter Series racing in during the afternoon but it did at least mean that those heading to the stadium had some dry wet weather gear to wear (well until they got out the car anyway).

It was also great to see those that didn't manage to make it to the stadium managed to get down to the Club for the evening. There were about 50 people at the Club Saturday evening to see the mighty Hurricanes win their first Super Rugby title after getting so close last year!

## Health & Safety

For those of you who were otherwise engaged and couldn't make the AGM, we had a brief presentation regarding Health & Safety around the Club.

Check out the slides from the presentation, the Club health and safety policy statement, the hazard registers, and evacuation plan. These are all available on the website [here](#).

Understanding and following our health and safety policy is a condition of membership and your agreement to this will be requested with your membership renewal.

See you all around the Club soon.

Cheers,

Rowdy.

## Crew Available

### ***Ben White***

Have done a fair bit of sailing. Regular sailor at Paremata Boating Club. Race a starling but have crewed on a Elliott 5.9, Noelex 22, a few 30ft keelers, crewed on a maxi (Steinlager 2) for 5 days and also done some racing in the old Americas cup boat. Can do any role although never been out on a trapeze. Keen to crew on any boat that needs a crew!

Currently not doing much as my boat is out of action and would like to fill my time so chances are I'm free most weekends :)

Thanks,

Ben

P.s I'm 15 in case age is important.

***Rachel Owen***

Hi I'm wanting to get back into sailing. I've casually crewed in Australia including some Wednesday racing at Cruising Yacht Club of Australia.

Here I was mainly grinder. I'm definitely a bit rusty but I'm enthusiastic and good at taking instructions. Hope to hear from you soon.
