

Evans Bay Yacht & Motor Boat Club's Latest News

Hi Grant, here's your weekly update...

Look out for Cook!

Ex-tropical Cyclone Cook is looking like she is coming to visit. If you get a chance, PLEASE come down and check your boat before heading away (or curling up in front of the TV) for the weekend!

The latest forecast I've seen is that Cook is due in the very early hours of Friday morning and is pretty much a direct hit...

Easter Cruise - Cancelled

Due to the potential for adverse weather conditions, the Easter Cruise to Port Underwood has been cancelled. We don't really want to be cruising Cook Strait with a potential cyclone looming down on the country.

Trailer Yacht Nationals this weekend

This long Easter weekend sees EBYMBC hosting the New Zealand Trailer Yacht National Championships.

XT Sea all seeking to take out the 2017 National Title.

We still looking to fill the following volunteer positions for the weekend, so if you are available at all (even if it is only for a small amount of time) please let me know.

- Crew member on Te Ak
- Assistant on Pania
- Kitchen assistant/"gofer"

Evans Bay Regatta

Our annual regatta is only 10 days away, check out the details on the [website](#) now, organise your crew and get yourself sorted for what is always a great weekend!

Evans Bay Regatta - Volunteers needed

With our annual regatta only 10 days away, we are looking for some volunteers to help out both on and off the water to lighten the load for everyone. So if you are able to help with any of the following please let Rowdy know, he will be very appreciative!

Registration officer (Friday 6-8pm or Saturday 8-10am)

Assistant on Pania (Race Control)

Crew on Kokotahi (Mark Boat)

General hands around the club

Meals this weekend

The Club will be open all weekend with the Trailer Yacht Nationals and we will have meals available Friday, Saturday and Sunday evening for those who want to come down and have a catch up with those visiting sailors from around the country.

So why not come down and show our visitors how great the EBYMBC hospitality is!

A thank you from the Office

A special thank you to Alison Pritchard who spent many hours last week, and her entire weekend, rebuilding the office computer after it crashed on Wednesday. Only 352 emails to catch up on now that it is working again...

What else is coming up?

The iconic East West Dash!

2017 EAST WEST DASH

Saturday 6 May 2017

Days Bay Pavilion to Evans Bay Yacht & Motor Boat Club

Registration at Days Bay Pavilion from 1200hrs

Race Start: 1315hrs

Finish: EBYMBC

**Entry:
\$10 per person**

Coastguard Wellington - Raft Race

Wellington Volunteer Coastguard are going to hold their annual raft race again this year.

The date is set for Saturday 29 April, so put it in your diary and get ready for a whole lot of fun!

EBYMBC does have a couple of rafts stored away (thanks to Jennifer Loader's hard work last year), so if you want to give it a go you don't even need to build a raft. So there is no excuse really!

EBYMBC Sounds Weekend

The Annual EBYMBC Sounds Weekend is just around the corner and details have been released. If you are interested in attending this fantastic weekend, please register. Check out the full details [here](#).

Cost

\$275.00 for club members and 2016/17 Sailing Academy members

\$375.00 for current non-club members.

The cost covers boat hire and fuel, but excludes food, travel to Picton and insurance bond. Colin has done a lot of hard work and managed to get a deal traveling with Bluebridge, so it is only \$40 each way on the ferry!

We would suggest about \$50 per person for the 2.5 days of food and non-alcoholic beverages - alcohol is up to you!

**BARTON
MARINE LTD**

Weekend sales position available at Barton Marine Ltd

Experience/understanding of sailing is essential.

Position is currently for Saturdays over Winter. Could extend into increased hours over Summer.

Would suit a university student.

If you or someone you know could be interested, give us

Thank you to our O'pen BIC Fleet Sponsors!

Please support our sponsors, as without their support these projects wouldn't be possible.
