

## Evans Bay Yacht & Motor Boat Club's Latest News

Hi Grant, here's your weekly update...

---

### Sailing this weekend?!

The weather doesn't look that nice outside at the moment, and tomorrow is meant to be even worse.

But... It is all meant to blow through and be sailable again by Saturday.

So, get your crew sorted, pull the thermals out and get down to EBYMBC on Saturday for some great racing.

1250hrs start for Cruising Division

1300hrs for those charging around the cans!

### O'pen BICs enjoy Manly

The EBYMBC O'pen BIC fleet had a fantastic weekend at the 2017 O'pen Winter Cup at Manly Sailing Club in Whangaparoa, Auckland.

The regatta involved racing on Friday, Saturday and Sunday.

EBYMBC can be very proud of the results achieved by this young group of sailors in a fleet of 84 boats:

David Laing-Maguire 5th Silver Fleet

Rory Kilmister 9th Bronze Fleet

A huge thanks to our club BIC sponsors, whom are a key part of the entire O'pen BIC programme. Eastern Suburbs Sports Trust, HRV, Moore Wilson's, NIWA & Vodafone.

## The America's Cup came to Wellington!

day for the Emirates Team New Zealand America's Cup victory parade. Hopefully at least a few of you managed to sneak out of work and get a glimpse of the Auld Mug before she jetted off to Christchurch to be covered in snow.

## Final Lions Test and Dinner at the club

Last Saturday saw around 40-50 people descend on the club to watch the final test in the Lions Series. It was a nail biter of a game and ended with a draw, which no one really knew whether to celebrate or commiserate.

But everyone went away happy in the end after having a great burger and dessert produced by Noeline and Roman (and AI for some of the prep work).

## What else is coming up?

## Finally a quick game of Spot the Difference

These two photos were taken 20 years apart (almost to the day). The photo on the left is of a young Rowdy (he does have a real name but no one actually knows it) getting a look at the America's Cup in 1997 at the age of 13 with then Team New Zealand sailor Mark Orams. The photo on the right was yesterday when Rowdy bumped into (read: stalked) Josh Junior for a photo.

Thank you to our O'pen BIC Fleet Sponsors!

Please support our sponsors, as without their support these projects wouldn't be possible.
