## Evans Bay Yacht & Motor Boat Club's Forward WIP Wellington O'pen Cup Competitor Update

Hi Rowdy, here's an update on the plans for this weekend...

### The biggest ever O'pen BIC event in New Zealand!

This weekend will see the biggest ever O'pen BIC event take place on the magnificent waters of Evans Bay! With 50 (Yes that is a FIVE and a zero!!!) sailors registered, it's going to be the place to be!

However, with 50 BICs, 50 participants, parents, coaches, siblings, volunteers and spectators, the club grounds (and surrounds) are going to be incredibly busy. For this reason I'm throwing out a special email update to put you all in the "loop" with what is happening.

So please carry on reading below to see how everything is planned to run.

### FOOD - we all love food!

You should have all received an update last week that EBYMBC are able to provide

& other children, while for the adults lunch is \$10 & dinner \$15.

Here is a recap of the menu, if you are interested in any of the meals and haven't let Rowdy know please [email](#) him asap!

- Friday Lunch (Filled Roll, Muffin etc)
- Friday Dinner (Spag bol & dessert)
- Saturday Lunch (Sammies & Savories)
- Saturday Dinner (Carved ham, sausages, salads & dessert)
- Sunday Lunch (build your own burger)

Also, please let Rowdy know if you have any special dietary requirements.

## Safety First

Your safety is the most important things this weekend (very closely followed by everyone having fun!).

Due to us having 50 boats and sailors to co-ordinate we have a couple of small requests.

Please ensure the following:

1. Your beach trolley has your sail number on it.
2. You have a towline attached to your boat
3. You have an appropriate buoyancy aid (it goes without saying really).

## Parking...

PLEASE try and park on the road if at all possible!!!

With such a busy weekend there is going to be one heck

cordoned off to ensure we have enough room for everyone's boat, if you are asked to move your vehicle by someone who looks official, please smile nicely and follow their instructions.

## And finally, the schedule...

This is the information that you all want to know... What are we doing and when! Please note this is a guide and times may change depending on weather and all sorts of other things.
