Evans Bay Yacht & Motor Boat Club's Latest News

Hi <<First Name>>, here is the latest news...

Sarah Dunckley - World Champion

Congratulations again to Sarah Dunckley for winning the Hansa Liberty Class world championships in Medemblik, Holland. Hansa class boats are built to a universal design and are used worldwide by sailors with disabilities.

For the full story, check out the [website](#).

Sarah is returning to Wellington mid July and plans are underway for a welcome home celebration at EBYMBC. Full details will be released closer to the time.

Winter Series - Started last Saturday the 11th of June

The sun was out, the sky was blue, and if you weren't there you really missed out! It was fantastic to see so many boats out there enjoying the conditions, and special thanks to those who travelled from other clubs. Don't forget Winter Series runs every second Saturday until 20 August so get your crew organised, pull out those thermals, woolly socks and woolly hats so that we can get some more great racing happening in the bay! The race documents are on the [website](#).

Judith Clearwater

It is with sadness that I advise the Club burgee will be flying at half mast tomorrow due to the passing of Judith Clearwater.

We were advised late this afternoon that Judith passed away yesterday. She was a member of EBYMBC for many years and always enjoyed getting down to the club for a catch up with everyone. Our thoughts are with Judith's family and friends at this sad time.

All Blacks Test - Watch it at the Club

If you aren't heading down to the stadium, why not head down to the Club and watch the ABs kick some Welsh butt (apologies to any Welsh supporters within our membership).

Have you checked your boat?

tampering with their boats. Please come down and check your boats regularly, if you have any issues please let Rowdy know in the office. And if you see anything suspicious then please let him know urgently!

Clubhouse Hire

Do you have a celebration coming up but you have too many friends to be able to host it at home? Well do I have a solution for you... The Evans Bay Yacht & Motor Boat Club is available for hire to celebrate your special occasion!

Don't forget this is available to everyone, whether they are a member of the club or not (although there is a members discount for you special people!), so if you hear of anyone looking for a venue to host an event tell them to get in touch with Rowdy at generalmanager@ebymbc.org.nz

Crew Available

Edward Chambers

I'm 27, male, been sailing on and off but mostly off) for about 12 years. Did an optimist course when I was 15 and have rented the odd dingy every few years since then. Really keen to get into racing now I'm permanently based in Wellington. So I'm looking to get back onto a boat and recap my skills so I can enter a racing skills course next spring or summer.

Keen to help out or crew wherever possible.

I have been sailing for over 40 years. Mostly cruising and "light" racing. My most recent boat was a J 105 and before that a J 80. Love the asymmetrical spinnaker ! I am 62 years old and so not up for foredeck or "sewer", but can trim, grind a winch or be rail meat.

Ashley Peryer

I am from the United States and will be coming to NZ to visit my husbands family July 3-24 and would love to do some sailing while I am in Wellington. Racing, afternoon cruise whatever anyone may be up for or need an extra set of hands on. I race locally and have done several offshore races to Jamaica and Mexico. Would love to just fetch beer or trim sails or hike out whatever maybe needed. Just don't want to come to the "land of sailboats" and not get out on the water on one! Look forward to meeting some of you!
