

Evans Bay Yacht & Motor Boat Club's Latest News

Hi <<First Name>>, here is the latest news...

Meet our new Vice Commodore - Rick Martin

Rick is a 67 year old lawyer and sailor, but still fully participates in both activities. His lawyer activities fund his sailing, while his sailing keeps him from going insane during his lawyer activities.

Find out more about Rick [here](#).

Last Weekend of Winter

Well it is the last weekend of winter series racing anyway!

Racing is scheduled to start at 1300hrs for the Cruising Division and 1330hrs for the rest.

With a great looking forecast and the potential for three races to be completed, it should be a great day!

Winter Series Prize Giving

Please note that prize giving will be held at 1600hrs if there is sailing or not! So if the weather does turn horrible, please make sure you still come down the club to celebrate another great winter of sailing!

Your opportunity to make a difference...

Events & House Committee

Any club is only as strong as it's members and volunteers. Now is your chance to make a difference to YOUR club.

Both the Events and House Committees need some additional helpers.

This doesn't mean that you have to join the committees (although if you want to, you are more than welcome!). It's more about having extra sets of hands to do those smaller jobs that make such a huge difference to the feeling around the club.

From the Office...

Smoking Area

Smoking at the Club was discussed at the most recent ManCom meeting and the following was agreed:

The designated smoking area is the ground floor deck on the northern side of the club, between the Clubhouse and the Sailing Academy storage shed. All other areas around the Clubhouse are smoke free.

If you have any feedback, be it negative or positive, feel free to let me know.

See you all around the Club soon.

Cheers,

Rowdy.

Crew Available

Ben White

Have done a fair bit of sailing. Regular sailor at Paremata Boating Club. Race a starling but have crewed on a Elliott 5.9, Noelex 22, a few 30ft keelers, crewed on a maxi (Steinlager 2) for 5 days and also done some racing in the old Americas cup boat. Can do any role although never been out on a trapeze. Keen to crew on any

time so chances are I'm free most weekends :)

Thanks,

Ben

P.s I'm 15 in case age is important.

What's Coming Up?

24 September - Working Bee

Pull out those overalls and work boots, it's time to give the club it's annual spit and polish!

1 October - Opening Day

It's that time of year again, the summer sailing season is here and it's time to celebrate.

Who is it?!

Lynley was very close... It is Glenn and Sean Syman at the 2001 Paper Tiger Nationals in Tauranga.

2001 means the Sean would have been 9 years old. Sean is now 24 and sailing a Paper Tiger himself at EBYMBC, hopefully a little more regularly this season aye Sean :)
