Tenacious Floatilla/Parade of sail

The tall ship Tenacious will (tentitvley) come to Wellington on the afternoon of 22th May.

Tenacious is the largest operative wooden hulled ship in the world. She was built by 1,500 mixed ability volunteers and includes special features which make her fully accessible and fully inclusive for everyone onboard.

Members of Wellington Yacht Clubs have been invited to join Tenacious for a parade of sail into Wellington Harbour on her first trip to New Zealand. If you are interested in being part of the welcoming flotilla, please contact Phillipa Durkin or [Nicci Wood](#).
