Evans Bay Yacht & Motor Boat Club's Latest News

Hi Grant, here's your weekly update...

Let's Celebrate

I've been one of those trying to contain and cap their excitement and emotions with how we are going in Bermuda, but I've now decided stuff it!!!

We won't count our chickens, but let's celebrate Team New Zealand's current performance!

It's time we [celebrate and have a good time](#), enjoy the week off and the lead the team has built. We might be [living on a prayer, but realistically we are half way there](#). Let's make sure we [don't stop believing](#) that Team New Zealand can bring the cup home and repay the country for remaining so [Loyal](#). As Split Enz have always told us [history never repeats](#), and [one day](#) the nightmares of San Francisco will be banished.

We all know there is a heck of a lot of hard work still to do, we are all backing you 100%, so come on boys, [Giv' em a taste of Kiwi](#), stay [one step ahead](#) and [sail away](#) so we can [welcome home](#) that cup to our little [slice of heaven](#)!

America's Cup coverage

The America's Cup continues this Sunday morning NZ time!

The club is open for **ALL live coverage** of the America's Cup (even if it is 5am!).

The first race Sunday morning is scheduled for just after 5:00am NZT. So we will see you all at the club!

Remember, the club is also open during the day and the TV is generally on Sky Sport 1 if there are replays being shown. Feel free to pop in at any time to review all the action that is happening in Bermuda.

Winter Series weather

A huge thanks to whoever organised the magnificent weather that appeared for the first day of the 2017 Winter Series. We had a total of 41 boats sailing on one of those "you can't beat Wellington" days.

Full results can be found on the club website [here](#).

Marc Hill and Alex Paterson took some great photos of the day which are available for viewing on the club [facebook page](#).

Don't forget the next race day is Saturday 1 July, be there or miss out!

National Volunteers Week

Its national volunteer week - and we would like to say - Thankyou Thankyou Thankyou!

To all our wonderful members and family and friends who volunteer to do all the things needed to run our club each year!

On and off the water we have many wonderful people step forward to help make it happen throughout the whole year.

Thanks for making the time to help. You make this club and our community a better place to be!

Thank you all so much!!
