

## Evans Bay Yacht & Motor Boat Club's Latest News

Hi <<First Name>>, here's your weekly update...

### Health & Safety Warning: Asphalt surface at Club

Many of you will have noticed the deterioration of the asphalt surface located at the south eastern corner of the clubhouse. We are in contact with Wellington City Council (our landlords) to get this repaired as quickly as possible. However with the events of last week maintenance contractors are quite difficult to find.

ensure that no one is injured. Please be extra careful when moving around this area, especially when it is wet or dark (or even both!).

As with all health & safety items around the club please make sure you let me know of any accidents, near misses or new hazards that arise!

Thanks in advance for your co-operation and help.

Cheers

Rowdy

## Club racing this weekend

Will the weather behave this weekend? To be honest, I've given up on looking at the forecast and am just starting to hope the wind will allow us to sail. If the weather does play ball we have the following scheduled:

**Cruising Division - Bucholz Cup - 1300hrs start**

**Trailer Yachts & Centreboards - Spring Series (2 Races) - 1330hrs start**

## Hurricane Rigging Sprint Series

The second day of the Hurricane Rigging Sprint Series once again saw too much wind for us to get any racing in on Saturday (and then Sunday was beautiful!). I'm starting to think that having a sailing event sponsored by a company with "Hurricane" in their name may not be the best idea!

**The next Hurricane Rigging Sprint Series day is scheduled for 17 December**

**Family Fun in the Sun - 4 December 1600 to 1830hrs**

- Sausage sizzle
- Ham
- Salads
- Corn on the Cob
- Fries
- All the stuff adults, kidults and kids love - topped up with dessert!

\$20 for Adults

Kids under 12 are free.

If you have any queries, please feel free to contact us via [email here](#).

## Club burgees for sale

We have a new supply of club burgees available for sale! The burgees are 300 x 400mm and a very reasonable \$30 each.

Let me know if you want one to fly with pride!

The cards are taking longer to be delivered than anticipated, so please be patient and accept my apologies for any inconvenience caused.

### Pies for Saturday lunch
