

Evans Bay Yacht & Motor Boat Club's Latest News

Hi Grant, here's your weekly update...

Winter Series - Third time lucky?

Well we have had a race day with too much wind, a race day without enough wind. So hopefully that will mean that this Saturday will be a perfect sailing breeze and we can actually get some racing in!

Start times are:

Cruising Division and Keelboats 1245 warning signal

Round the cans racing 1255 warning signal

See you all on Saturday!

Friday night guest speaker - Brett Linton

Last Friday evening saw local Sailmaker Brett Linton give a speech about his new role with Dongfeng Race Team in the Volvo Ocean Race. Brett's speech was very entertaining and if you weren't there you really did miss out! So a huge thanks to Brett for speaking, Phil Williams and his TRIYA team for their organisation, and Noeline and the House Committee for feeding the masses.

AON High Performance Clinic for 420s

Over the weekend EBYMBC and TRIYA hosted a fantastic 3 day high performance training clinic in Wellington for teams selected to represent New Zealand in the 2017 420 World Championships. A huge thank you to Andrew Brown (Coach), Phil Williams (TRIYA Head Coach), Yachting New Zealand and NZ 420 Association for support and Aon for sponsorship. Photos by Irina Winsley.

Outstanding fees and AGM voting

The AGM is only a couple of weeks away and I know that everyone wants their say. Just a reminder about section 7.2 of the constitution which states:

A member shall be deemed to be in arrears when any of the following subscriptions, fees or charges are owing beyond the due date:

So if you have any outstanding debts please get them sorted before the AGM as we don't want to deny you having a vote!
