## Health & Safety Warning: Asphalt surface at Club

Many of you will have noticed the deterioration of the asphalt surface located at the south eastern corner of the clubhouse. We are in contact with Wellington City Council (our landlords) to get this repaired as quickly as possible. However with the events of the last couple of weeks, maintenance contractors are quite difficult to find.

So in the mean time please be very careful around this area of the club grounds, we want to ensure that no one is injured. Please be extra careful when moving around this area, especially when it is wet or dark (or even both!).

As with all health & safety items around the club please make sure you let me know of any accidents, near misses or new hazards that arise!

Thanks in advance for your co-operation and help.

Cheers

Rowdy
