Evans Bay Yacht & Motor Boat Club's Latest News

Hi Grant, here's your weekly update...

The iconic EAST WEST DASH - this weekend!

Full details and rules are available on the [website here](#).

A few key points:

- 1 If you are launching from Evans Bay please "sign on" before leaving, that way we have a record of who is heading across and can make sure everyone gets there safely.
- 2 If you are sailing over, remember it is a 5.5nm trip, so please leave plenty of time, if you do get there early it's a pretty nice place to chill out.

3 We still need support boat volunteers, so if you are keen to participate but don't have a ride yet, please send an [email here](#).

We found our Champion!

Saturday saw our six class champions battle it out over a six race series in the Hansa Liberty boats borrowed from Sailability Wellington.

The racing saw some tight battles, some intense tactical moves and plenty of laughs with the start-finish line being right off the end of the club wharf.

Congratulations need to go out to all of our champions and especially to our winner Chris Hargreaves who is the EBYMBC Champion of Champions for 2017!

Today was VERY windy

For those of you with boats stored outside, please check on them as soon as you have a spare moment. As I was leaving the office this afternoon there were some massive gusts coming through and ALL of the boats in the trailer park were shaking around (even the ones that are normally sheltered)!

What else is coming up?

2017 Season Prizegiving - 27 May

We are planning to do something slightly different this year for prize giving!

Prize giving is going to be...

A Champagne Breakfast

It just so happens that the Louis Vuitton Cup starts on that same morning, so we will be watching the first race, having prize giving and then watching the America's Cup Opening Ceremony. It really will be a fantastic morning at the club celebrating our successes from the season as well as the start of one of the biggest events in our sport.

Further details to follow next week.

Winter Series - starts 17 June

A heads up that winter series will kick off on Saturday 17 June, please note this is a slightly different date to what was originally noted in the club calendar/schedule. This is due to a conflict with other events on the harbour/around the club.

Please support our sponsors, as without their support these projects wouldn't be possible.
