

## Evans Bay Yacht & Motor Boat Club's Latest News

Hi Grant, here's your weekly update...

---

### Lions success!

While the Lions had success on the field Saturday night, EBYMBC also had a successful week thanks to the lions tour.

We had a couple of camper vans which based themselves here at the clubhouse and helped prop up the bar during the week.

A huge thanks needs to go out to the Noeline, Christine, Doug, Al, Steve, Kate, David and everyone else who helped feed, water and generally entertain our visitors. They all left with large smiles on their faces Sunday morning!

Chris Hargreaves, with Jim and Mark, twin brothers from Essex who celebrated their 23rd birthday with a Lions win over the All Blacks. Chris was also celebrating another significant birthday which occurred earlier in the week... Happy Birthday Mr Commodore!

## Winter Series - A bit wet and (possibly) windy

Unfortunately the weather didn't really play ball on Saturday and race day two of the 2017 Winter Series as postponed. Next race day is Saturday 15 July and remember there is the option for us to now race three races per day due to last weekends postponement. Full results from the series so far can be found on the club website [here](#).
